Memorandum of Understanding Between South Whittier Teachers Association
And South Whittier School District

On April 21, 2020, the South Whittier School District ("District") and the South Whittier Teachers Association ("SWTA") (collectively the “Parties”) entered into a memorandum of understanding concerning the response to the coronavirus ("COVID-19") pandemic. This memorandum of understanding expired on June 5, 2020.

On July 17, 2020, California Department of Public Health ("CDPH") issued updated school guidelines stating that schools located in counties that are on the state Monitoring List must not physically open for in-person instruction until their county has come off the Monitoring List for 14 consecutive days. As a result of this recent CDPH guidance, and at this time, due to the fact that Los Angeles County is currently on the County Monitoring List, the 2020-2021 District school year must be reopened under a distance learning model. If and when Los Angeles County is removed from the County Monitoring list for 14 consecutive days, in accordance with the CDPH guidelines, the Parties will meet and negotiate regarding the items addressed in the MOU and the transition to a hybrid and/or in-person instructional model.

Given the current state of the COVID-19 pandemic, the Parties enter into this Memorandum of Understanding ("MOU") regarding the reopening of schools for the 2020-21 school year. The Parties have agreed to the following:

A. Distance Learning
   1. For the purpose of this MOU, “distance learning” means instruction in which the student and instructor are in different locations and students are under the general supervision of a certificated employee of the District.
   2. The principal methods of distance learning shall be delivered using Zoom and Google Classroom.
   3. Bargaining unit members will report to their work site Tuesday through Friday, or, as otherwise individually agreed upon with Human Resources when providing instruction, resources, and support to students through distance learning.
   4. Unit members engaging in distance learning shall use the District’s adopted core
curriculum including digital tools, platforms and online curriculum. The pace of instruction, the lesson design, and type of instruction provided shall be at the discretion of the classroom teacher within established District standards and based on the needs of their students and requirements of the course.

5. All students will receive synchronous and asynchronous instruction and content five days per week through distance learning.

6. All students will receive daily live interaction with certificated employees and peers for purposes of instruction, progress monitoring, and maintaining school connectedness.

7. The District shall provide academic and other supports in distance learning that are designed to address the needs of pupils who are not performing at grade level, or need support in other areas, such as English learners, pupils with exceptional needs, pupils in foster care or experiencing homelessness, and pupils requiring mental health support.

Bargaining unit members shall be responsible for planning appropriate standards-based instruction, responding to parents and students in a timely manner, supporting diverse learners, building rapport and connections with students, regularly monitoring student work completion and participation, providing students feedback.

12. Synchronous instruction shall include content that requires student interaction with their teacher/classmates, content that engages a student in making a response, content that engages students in a visual way, and provides the bargaining unit member opportunities to provide the student encouragement and feedback.
13. Bargaining unit members shall document daily participation for each pupil enrolled in Distance Learning on each school day, in whole or in part, for which distance learning is provided.

14. In accordance with District Board Policy 6157 and Administrative Regulations 6157, unit members will input end of trimester grades for students on independent studies culled from data delivered by virtual platforms utilized for those programs.

15. Unit members shall also administer STAR 360 assessments to students on independent studies

1. Unless medically prohibited from doing so, unit members shall wear face coverings while on District property as determined by L.A. County Department of Public Health Protocols. 3. All provisions of the CBA pertaining to Industrial Accident Leave and/or Worker’s Compensation remain in effect.

4. The District shall provide all bargaining unit members, working remotely, with the necessary equipment and supplies in order to provide distance learning.
